One note: I am still listed as needing to complete the language requirement in my degree audit, but I am working with the registrar's office to get my IB language scores accepted, so that requirement should be met soon.

3) After you submit this form, your request will be routed to your DUS(es), but please note that in several large majors, students are expected to consult an adviser other than the DUS, and you should send this form to that adviser also. If you are unsure who your adviser is, please refer to your major's website or consult the DUS office.

Would you like to send this request to an additional adviser? DO NOT submit your preliminary schedule to your college dean.
